Inspiring minds.
Shaping futures.

“Through the Chaplaincy, you can get involved with all sorts of activities which make a difference to the college and the world.”

Did you know that by just clicking on **thehungersite.com** every time you visit the site, you donate a cup of food to the starving? Tonnes of food has been donated by sponsors, and many lives saved. It takes a moment of your time, to give a starving child a life time! Or try **freerice.com** for a quiz, with food for the hungry as a prize.

Small Change Brings Big Change And You Can Be Part Of That Change!

Still on helping the developing world, the college has strong links with CAFOD, the Catholic Overseas Aid Agency. You'll be invited to take part in their Harvest Fast Day in October. We choose to support CAFOD because they help people to help themselves, and spend little on administration.

Visit **cafod.org.uk** to find out more about Fairtrade, Living Simply, HIV and AIDS treatment, climate change and globalisation. You might find ideas for Business, Geography, or Health & Social Care too!

Justice and Peace Group

Are you passionate about making a difference to your world? Interested in learning more about Fairtrade, the plight of the homeless? Do you want to increase awareness about Prisoners of Conscience? Or simply raise money for your favourite charity? Last year the Justice & Peace group collected a phenomenal amount for charities at home and abroad. New members are always welcome in the Chaplaincy on Tuesday lunchtimes. Why not drop in and see if you have time, talents or insights to offer. You will certainly gain new friends and enjoy helping others.

Enrichment

You can apply to be a College Ambassador in the Easter Term and also join the Justice and Peace Group.

See Kate if you want to know more.

Children in Need

“The Chaplaincy is a place for prayer, fundraising, and reflection on life, open to all regardless of their beliefs.”

Our Chaplaincy

As a Catholic College for the Community, we celebrate the seasons of the Christian year, while ecumenical services are held to mark major events in College life and in our world.

Staff and students are welcome to use the Chapel at times of personal reflection, grief or thanksgiving. The college prayer book is well used for petitions and individual prayer. Mass or a short prayer service is celebrated weekly and all are welcome.

Discussion and interest groups, formal and informal, meet in the Social Area, depending on the interests of staff and students each year, so if you feel passionately about something, come along and be the change you want to see in the world.

Volunteering

Many Carmel students take part in the Lourdes Youth Pilgrimage. They work hard, play hard and pray hard, making it possible for elderly and disabled pilgrims to enjoy their time in Lourdes to the full.

Each year students spend the summer in Kenya, Rwanda, Ghana and Sri Lanka, helping to build schools and work with street children as part of the Lasallian Developing World Project. Watch out for information on how you could be involved.

Nearer home, students help out with a variety of volunteering projects volunteercentre.liverpool.org.uk and do-it.org.uk have lots to offer.
