

A young woman with long blonde hair, wearing glasses and a black jacket with a fur-lined hood, is watering plants in a greenhouse. She is holding a black watering can and is focused on her task. The greenhouse has a glass roof and metal frame. In the background, there are several rows of potted plants on shelves.

### Our students say...

I have made lots of friends at Carmel College and the staff are brilliant too, they really help you with your work.

One of my favourite lessons is Ethics and Values. I really enjoy this subject because we learn about lots of different things. I like to help raise money for charities in college. We have completed a donut and cracker challenge which helped us buy 10 mosquito nets for the fight against Malaria with the money we raised. In Foundation Learning we have all been working as a team doing gardening. We aim to make it a nice area that we can all enjoy.

## Our students say...

Carmel College is brilliant for me because I get to do lots of sporting activities, which is my favourite thing to do.

I am on the Foundation Learning football team. This is a great achievement for me and I really like being part of a team. Recently I was involved in a Sport Relief Challenge and it was great to help raise money for the charity. I have made lots of friends who I socialise with in my spare time. Without coming to Carmel I wouldn't have met them and I wouldn't have such a good social life. We go bowling, to the cinema and out for meals. My Maths and English skills have improved along with my confidence.

## How do I apply for the course?

You must apply using the application form on the college website [www.carmel.ac.uk](http://www.carmel.ac.uk).

We have Open Events during October, November and February at which you can speak with a member of the Foundation Learning team should you require further information.

## How will I get to college?

We have several college buses which you can use. However if you are unable to travel independently, you can apply to the Local Authority for free transport to and from college.
