

FOUNDATION LEARNING ENTRY LEVEL

OUR STUDENTS SAY...

Since I have started Carmel College I have made some really great friends.

My favourite lesson is Enrichment. I enjoy any creative activity, especially drawing. I took part in Art Therapy, I had to paint my feelings to music which was lovely.

In Ethics and Values, we have been finding out about how important it is to support charities, especially children in other countries. We will be raising money to buy mosquito nets which will protect against malaria especially for older people and babies.

I have taken part in travel training, we bought tickets and travelled on the train. I now feel more confident in using public transport. It was very valuable training.

In Daily Living Skills I have had the opportunity to make new recipes including brownies, lasagne and chocolate spring rolls.

I have loved my first year at Carmel College, the staff are really kind and always have time for me.

Sarah Williams, Rainhill High School

What will I study?

Our Entry Level Programme introduces learners to the world of work and develops essential skills for independent adult life. The course is a two year, five day a week programme which on completion leads to a formal Entry Level qualification.

Study Programme:

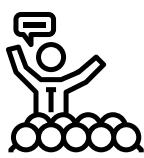

- Preparation for Work, Daily Living Skills, Community, Travel Training, Personal and Social Development, Wellbeing
- Functional Skills Maths and English

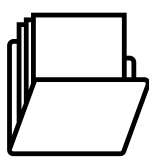

How will I be assessed?

Role Play /
Scenarios

Practical
Demonstrations

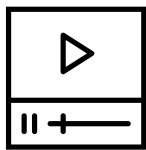

Observation
Records

Log Book

Presentations

Audio / Video
Evidence

OUR STUDENTS SAY...

My family and I liked the feel of the college. We were impressed with all the friendly people in the college.

I enjoy the lessons and working with others.

When I leave college I would like to get a job working in admin on reception.

I have been out with my group for breakfast and worked on my communication skills.

I have completed my work experience placement at Stephenson's Resource Centre. My job was on reception. I really enjoyed it.

Alexander Fraser, Cardinal Newman

Work Experience

Undertake a realistic placement with local employers.

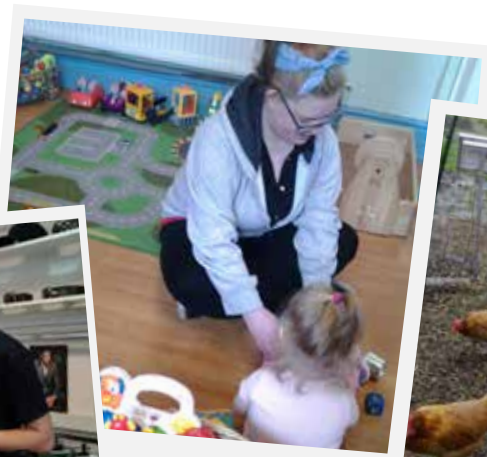

How do I apply?

You must apply using the application form on the college website: www.carmel.ac.uk.

We have Open Events during October, November and February at which you can speak with a member of the Foundation Learning team should you require further information.

How will I get to college?

We have several college buses which you can use. However if you are unable to travel independently, you can apply to the Local Authority for free transport to and from college.
