3.05-4.05pm	Business Studies	Spanish	(3.15-4.05) <i>Enrichment Duke of Edinburgh</i>	<i>Study Period</i>	Law

What other activities can I get involved in?

As well as doing your own private study, additional support in the form of one-to-one or group tutorials for your subjects can be arranged during your study periods.

Alongside your chosen subjects, you may also select from a range of enrichment and skills activities, such as volunteering, or courses to enhance your study programme and prepare for your career.
