

Tochukwu Nwagwu

Sustainability Intern

Class of 2021 Alumni

A lot of my current achievements, both educational and professional, I owe to Carmel. Through brilliant mentorship and the high standard of education, my time at Carmel built the foundations of success which I continue to develop.

"I graduated from Loughborough university with a BA (Hons) in PPE last year. After that I did an internship within private equity accounting and valuations and I'm currently interning in sustainability consulting at the Carbon Trust. I plan on doing a Masters this September in Finance and Investments."
